

## **EEE Hotline**

**August 9, 2009  
(Addendum)**

Just a couple of things:

1. I failed to mention in the hotline that regular EEE practices are held on Tuesdays and Thursdays from 6-9pm in the EHS auditorium. The other dates I gave you are in addition to these dates.

2. **HOLD ONTO YOUR HATS!!!! Fall Show, Sunday, August 30 at 2pm in the EHS Auditorium.** Admission will be \$5. Former EEE and EHS students will be performing along with the 2009-2010 Eisenhower Elite Energy Show Choir. The show will also feature Broadway choreographer/performer and former EHS graduate Josh Rhodes. He has performed in Broadway hits such as Urban Cowboy, The Bells are Ringing and Chicago. To view some of Josh's work go to [www.youtube.com](http://www.youtube.com) and search Josh Rhodes (be careful, only look at the ones you know to be him). I googled him too.

Scott is very excited about Josh coming to perform at EHS. More information will be coming in the days ahead.

Put your seatbelts on because we are in for a wild ride already. Please continue to support this group and our kids.
